

Special conditions

**ReturnPlus**

The wealth manager offers the following special conditions for a limited period of time and in line with the conditions described:

Investment strategy	LIQUIDITY	STABILITY	YIELD	GROWTH	DYNAMIC
One-off set-up fee for wealth management	0%	0%	0%	0%	0%

These special conditions apply exclusively to the conclusion of wealth management contracts and/or subsequent subscriptions to existing wealth management contracts during the promotional period until 30/04/2023.

The resulting inflow of funds must be made to the clearing account of the custodian bank up to and including 15/05/2023 ("deposit period").

The prerequisite for new contracts is the successful conclusion of a wealth management contract as well as an account/deposit opening during the deposit period (including legitimation and confirmation of risk disclosure).

Contract conclusions and/or subsequent subscriptions that take place before or after the promotion period and for which there is no timely receipt of funds are not part of the promotion and do not benefit from these special conditions, but are subject to the agreed conditions of the wealth management contract.

These special conditions apply exclusively to the contract conclusions/subscriptions listed below and replace the conditions listed in the wealth management contract for this purpose, in whole or in part:

- Deposit in a newly opened or additionally opened custody account (new contract entry)
- Payment into an existing custody account (subsequent subscription)
- Special payments into a savings plan (subsequent subscription)

The above-mentioned special conditions do not apply to the following types of deposits:

- Instalment payments (savings instalments) into new or existing savings plans

All other conditions stated in the wealth management agreement remain unaffected.
